A deposit of 50 € or an identity document is required.

Place your document in the brown envelope provided, write your name and mobile phone number on it, seal it, and hand it to the official.

You must return your rented SPORTident chip after your last race.

The official will give you back your sealed envelope in exchange.

Start times

All pre-registered runners—except H/D10– and SE, SD, MM, LD—will receive assigned start times before the event.

**Start lists will be published on Saturday June 13 in the evening at:

Please check your registration details.

For corrections, contact orga2026@o2lux.org.

Timing starts at the start signal.

There is no timed start control and no START punch.
